MASTER'S MESSAGE

Brethren--I would like to thank all that attended January's Stated Communication, it was a great meeting and fun was had by all. With the start of the New Year we will continue to address the issues concerning the structural condition of our lodge. We have created a Building Fund Committee that is responsible for planning events to raise money for the repairs, as well as Building Repair Committee for developing a priority schedule. Other Committees were assigned and are posted on the web site (www.matthewslodge461.com). The 2nd Degree for January 31st has been rescheduled for Thursday, February 28, please try to attend and support our new and upcoming brothers.

Claude Mitchell III W.M.
